Notes:

1. * It may be possible at these locations to arrange for the person with dementia to be cared for whilst carers attend the group.

2. ** This group is for people with any form of dementia AND those who care for someone with dementia.

3. Friends and family of younger people with dementia are welcome at any of the support groups above, but can also access The Clive Project Exchange. Exchange meetings offer an informal and friendly opportunity to share experiences and expertise with others. Venues vary; for the current programme please contact:
